

I am an independent voter and I am appalled at the Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary. It is a hit piece that is being aired just before the election meant to sway the independent vote. It smacks of the Willie Horton ads. As a tax paying citizen I expect you to stop it!

This is not the kind of thing we need for our democratic society. It is a campaign hit piece. If you are forced to allow it, I expect you to require that they give equal time to the Kerry piece called "Going Up River".

This type of action is why we cannot have monopolistic media ownership. It is time that the FCC do something about this sort of programming and do something substantive about media licensing.

Thank you,
